PROFESSIONAL EXPERIENCE

Summer & Winter Researcher, First Author, Monash University   **Melbourne, Australia | 2021 to Present**

- Empirically researched the interaction design of AI-related mobile apps.
- Created a selenium-based script of crawling Android apps using python.
- Preformed statistical analysis on large data groups about the Android apps we collected.
- Developed a gallery of AI-human interaction mobile design.
- Conducted user interview with UX designers for probing the challenges in the industry and gathering feedback on the gallery.

Secretary, Monash Table Tennis Club Clayton   **Melbourne, Australia | 2021 to Present**

- Maintain up to date records of Club Members and their contact details;
- Maintain, create and circulate Club Meeting agendas;
- Liaise with Monash Sport to make and amend bookings for the club;
- Complete duties and legal documents on behalf of the Club including affiliation with Monash Sport; and
- Fulfil the responsibilities outlined in General Committee.

HONOURS AND AWARDS
